CALL FOR PAPERS

InTReD'19

Innovative Teaching & Learning Research Day 2019

TECHNOLOGY CAMPUS, UNIVERSITI TEKNIKAL MALAYSIA MELAKA, MELAKA, MALAYSIA
29 AUGUST 2019

" NURTURING ACADEMICS, GROWING IDEAS "

The main objective of InTReD'19 is for educators, scholars, researchers, engineers, technologists and students from Higher Educational Institutions, Teaching Institutions, Research Institutions and Industries to present findings of completed and ongoing original research activities on teaching and learning, hence foster research collaborations between the universities and the industries. Another objective is to give opportunities for researchers to share the best practices in teaching and learning through poster presentation and product showcase.

TRACK 6: e-TEACHING PORTFOLIO

All the accepted and presented 2-pages Extended Abstract will be published in Conference Proceeding with e-ISBN. In addition, the proceedings will be submitted to Clarivate Analytic (formerly known as Thomson Reuters-ISI) Conference Proceedings Citation Index™ for indexing consideration in Web of Science coverage.

AUTHOR GUIDELINES

All submission must be submitted through CMT management system. Papers will be published in the conference proceedings only if the author registered with full payment. All accepted papers are to be presented in a poster or product showcase.

Track 1-5 :2-page extended abstract

Papers must be written in English and should describe original work, which have not been published or being reviewed for any other publication. Papers should adhere to the guidelines given in the template. Selected papers will be recommended for publication in Scopus-indexed journal *(different fee applies)*.

Track 6   :e-Teaching Portfolio Submission

An e-Teaching Portfolio is a documentation of teaching portfolio in an electronic form. Thus, the teaching portfolio is creatively present by not only text, but also through visuals, audio, video, webpages and other digital formats. Teaching Portfolio link (website) must be uploaded through CMT management system.
