EDITORIAL PREFACE

Centre for Academics Excellence and Scholarship (CAES), Universiti Teknikal Malaysia Melaka (UTeM) successfully organized the Innovative Teaching & Learning Research Day 2021 (InTReD'21) on 9 December 2021. Due to the uncertainty of the current COVID-19 pandemic situation, InTReD'21 was held in a virtual platform environment, with the theme "Beyond Boundaries: Humanizing Future-Proof Education."

The forty papers accepted at the InTReD'21 are included in this open access e-proceedings. The papers are in five tracks, namely

1) Track 1: Creative and Innovative in Teaching & Learning
2) Track 2: Learning Technology
3) Track 3: Learning Skills
4) Track 4: TVET Teaching and Learning
5) Track 5: STEM Education

InTReD'21 gives opportunities for instructors and researchers to share the best practices in teaching and learning through poster presentation and product showcase. Participants in Track 1 through Track 5 also gave poster style presentations on the day of this event.

The editors-in-chief would like to express their sincerest gratitude to the reviewers for their time and effort in evaluating the submissions in order to maintain excellence in academic writing quality. The authors also have done a great job at revising their papers for this publication. Lastly, we would like to thank CAES as the organizer, fellow committee members, staff, and sponsors in making InTReD'21 a success.

Thank you very much.
